Alma Property Partners has hired Jacob Annehed as Partner and Chief Financial Officer. Mr. Annehed brings more than 10 years of experience in financial services and private equity real estate and will join the company in mid-October. His primary role with Alma Property Partners will be to lead the overall group finance activities, including financing, financial controlling, tax and regulatory compliance.

“We are very happy to have found a highly experienced CFO who has a deep understanding of the Nordic private equity real estate industry. Jacob will help manage the company and he is going to have an immediate impact on the financing, financial reporting & control and regulatory side of our business,” says Sloan Wobbeking, CEO of Alma.
