Alma Property Partners purchases apartments in Kalmar

Alma Property Partners acquired residential properties in Kalmar in partnership with P&E Fastighetspartner in a transaction with Agona Fastigheter

Alma Property Partners acquired five residential properties and one commercial property in central Kalmar with total lettable area of approximately 4,350 sqm.

“We are happy to acquire centrally located residential properties in an attractive market. Kalmar has an undersupply of housing so we see the possibility to work actively with both the development and management of the properties,” says Simon de Château, Partner & CIO at Alma Property Partners.

Alma Property Partners is currently raising capital for its pan-Nordic opportunistic real estate fund. The target is to raise two billion Swedish crowns (or approximately 200 million euro) of equity.
